

### ***President's Message Aug 2022***

Hello, Halifax Area Chapter MOAA Members. Good news, the Halifax area Chapter of MOAA received the 5-Star LOE Award for 2021.

“MOAA is pleased to announce the winners of the annual Council and Chapter Levels of Excellence (LOE) Awards for performance in 2021. Out of just over 400 MOAA affiliates, 161 councils and chapters nominated themselves for LOE award recognition this year. Despite a difficult year of transition from the COVID-19 pandemic, these councils and chapters adapted and improvised when necessary to support and foster programs that directly support the MOAA mission and their communities.

All LOE nomination packages were independently evaluated by two members of the Council and Chapter Affairs Committee of the MOAA Board of Directors. Throughout the grading process, it was very clear that our councils and chapters didn't just maintain satisfactory performance but rather, excelled in their mission and determination. Please join us in congratulating and thanking our selfless volunteers who work tirelessly within our affiliate network on behalf of this association. Learn more about the awards [at this link](#). Congratulations to the winners!
