

## Bits and Pieces # 17

This is from the Clearwater chapter newsletter, the Drumbeat, Aug. 2012 issue. Editor Sue Morse

It's about the latest VA info. President Hodges gives the web site, which I poked around on. It was very easy to use, I thought. I only took a paragraph from his article. To read the whole thing, type moaaf.org into the Google search bar, find the Florida Council of Chapters home page, click on "chapters", then scroll to Clearwater and click on their web page.

---

I attended a very informative gathering called VISN 8 Management Assistance Council, put on by the VA Sunshine Healthcare Network. VISN 8 is the largest service area within the Veterans Health Administration. Covers South Georgia, Florida and Puerto Rico. Most of the info was about all the new and improved ways service can be had. A relatively new site is [www.myhealth.va.gov](http://www.myhealth.va.gov), which should make all contact with the VA easier.

Bits and Pieces is a collection of odd bits and pieces of news that I glean from chapter newsletters. The idea is to pass those items along to other chapters if we think someone else might be able to use them. If we trade our useful bits and pieces around, we can all get better and stronger. If you have something your chapter has done that you think others might be able to use, please contact me at [dccalusa@comcast.net](mailto:dccalusa@comcast.net) or (239) 542-5627 and I'll pass it along.

Dottie Conner, Perky Pushover of your Florida Council of Chapters President, Jim.

Some people catch fish – we catch branches! (not so good eating, though)
