

Bits & Pieces #22

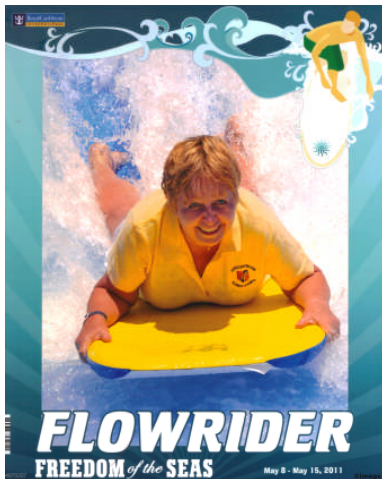

Lake and Sumpter Counties chapter, President Ron Durian; Newsletter Editor Irene Misiorski. I found this in their Sept. 2012 issue:

Their chapter members buy shirts with the chapter logo on them. They apparently do this through a local business; this way nobody in the chapter has to take orders, etc. Members can buy the shirts as a chapter pride thing and as good advertising for new members as they stroll about town wearing them

We've also seen this done as a fundraiser with quite a few chapters as we travel around, (they sell the shirts for 5 or 10 dollars more than the actual cost). However, with this angle someone has to take orders, put them in, fill them, etc. **More work, but more money.**

Bits and Pieces is a collection of odd items that I mostly glean from chapter newsletters. The idea is to pass those items along to other chapters, trading our useful bits and pieces around for everyone's benefit. If you have something your chapter has done that you think others might be able to use, please contact me at dccalusa@comcast.net or (239) 542-5627 and I'll pass it along.

I'm at a convention! Does anyone know which one?

PS – I'm keeping a chart of chapters and I'm putting in articles from a different chapter each week until all 41 have been mentioned, then I'll start over. I'm trying to make sure that every chapters' good ideas are spread around, and every one of them has good ideas we can all use!
