

Bits & Pieces # 28 –parade float

This is a picture of the Suwannee River Chapter in their parade float during their city's Veterans Day Parade. This is a fun way to advertise your chapter so other MOAA people become aware of it. A great idea for any chapter to not only work with their community on a local project such as the parade, but also at the same time make your presence known to potential members.

Bits and Pieces is a collection of odd items that I mostly glean from chapter newsletters. The idea is to pass those items along to other chapters, trading our useful bits and pieces around for everyone's benefit. If you have something your chapter has done that you think others might be able to use, please contact me at [dccalusa@comcast.net](mailto:dccalusa@comcast.net) or (239) 542-5627 and I'll pass it along.
