

Bits and Pieces #37 – Congressional Hot Line

This is from the Mayport Chapter's "Highlights" newsletter, Dec. 2012 issue. President LCDR John Snyder, USN (ret), also the editor. They published the MOAA Congressional Hot Line: 1-877-762-8762. I tried calling it, and you get an operator in Washington, DC. She asks for your zip code, and then connects you (by telephone) to your representative for that zip code area. When the representative's office answers, you tell them what legislation you want them to vote for, so have your ducks in a row before they answer the phone. This is another way to reach your representative if you don't have email.

Bits and Pieces is a collection of odd items that I mostly glean from chapter newsletters. The idea is to pass those items along to other chapters, trading our useful bits and pieces around for everyone's benefit. If you have something your chapter has done that you think others might be able to use, please contact me at dccalusa@comcast.net or (239) 542-5627 and I'll pass it along.

Me at the Winter Leadership Forum trying to figure out seating for the (informal mind you!) dinner Friday night. Good thing it was a King size bed.
