

Bits Pieces #38

This is from the Halifax chapter (President, Col. Ronald L. Giampietro, USAF (Ret.), Jan. 2013 newsletter, the "Officer's Call" (Editor, Maj Jim Bannerman, USAF (ret.)).

They are having an entire program in May focused on Vietnam Veterans from their own chapter, each giving a 3 minute presentation. Good idea! They organized it with a list of suggested topics which can be changed, or topics not taken can be dropped. The point is they're starting in Jan for the May program, and they have a list of possible topics as a guideline so speakers aren't just rambling but know what they're going to talk about. Even if they get no more than the 5 speakers they already have, it will work fine. They can give each speaker more time or just have a shorter program.

We Need Volunteers For our May Program

MOAA Halifax Chapter will present a program on Vietnam Vets during the May 24, 2013 meeting. We are looking for a few good men and women to deliver 3 minute presentations on the topic of choice. Please see the attached outline to get an Idea. The topics are not in stone but merely place holders. Please contact Skip Keating for more information

Bits and Pieces is a collection of odd items that I mostly glean from chapter newsletters. The idea is to pass those items along to other chapters, trading our useful bits and pieces around for everyone's benefit. If you have something your chapter has done that you think others might be able to use, please contact me at dccalusa@comcast.net or (239) 542-5627 and I'll pass it along.
