

## **FCoC 2023 Leadership Training Seminar Invitation**

### **Florida Council, Chapter and MOAA Southeast Area State Leaders,**

You are all formally invited to this 2023 Leadership Training Seminar with primary events on 6-7 January 2023 at the Rosen Center in Orlando, Florida. Special hotel rates of \$152 per night were locked in one year ago, and are available 2 to 11 January if you want to extend your stay. You will find more details, event agenda and you will be able to register on FCoC's website at "[moaafl.org](http://moaafl.org)".

This is your 2023 opportunity to hear in-person from MOAA National leaders in areas of Chapter Operations, Legislative Advocacy, Retention and Recruiting, and Surviving Spouse Support. A unique addition this year will be hearing from survivors of hurricane Ian and understanding FCoC plans to assist in the recovery of those MOAA Chapters. I welcome your participation, input and feedback on our plans.

All Chapter leaders (Presidents and / or Vice Presidents) are strongly encouraged to attend all sessions and the FCoC Board meeting where we will lay out FCoC's plan of action for 2023. Changes to Level Of Excellence (LOE) grading criteria, will require discussion / strategizing our approach. I welcome your input.

This is a critical event for your new Committee Chairs to learn best practices in their areas of responsibility for your Chapters - make sure you bring your new Chapter leaders to this event.

For spouses, an elder-law attorney discuss preparing to be a survivor such as wills, trusts, deeds, lady bird deeds, and estate planning in all its aspects with a dialogue to answer your questions - prepare your questions. After the surviving spouse update there will be a shopping excursion for those so inclined, or a social for spouses who would prefer to stay in the hotel and possibly form a group for lunch.

Of course there will be awards, camaraderie, and time with friends. We plan to welcome our new MOAA Chairman in one of his first engagements on the road, and we thank MOAA for hosting the Friday evening dinner to help with the cost of this event for our members.

Please contact me if you have any questions.
